Hello!

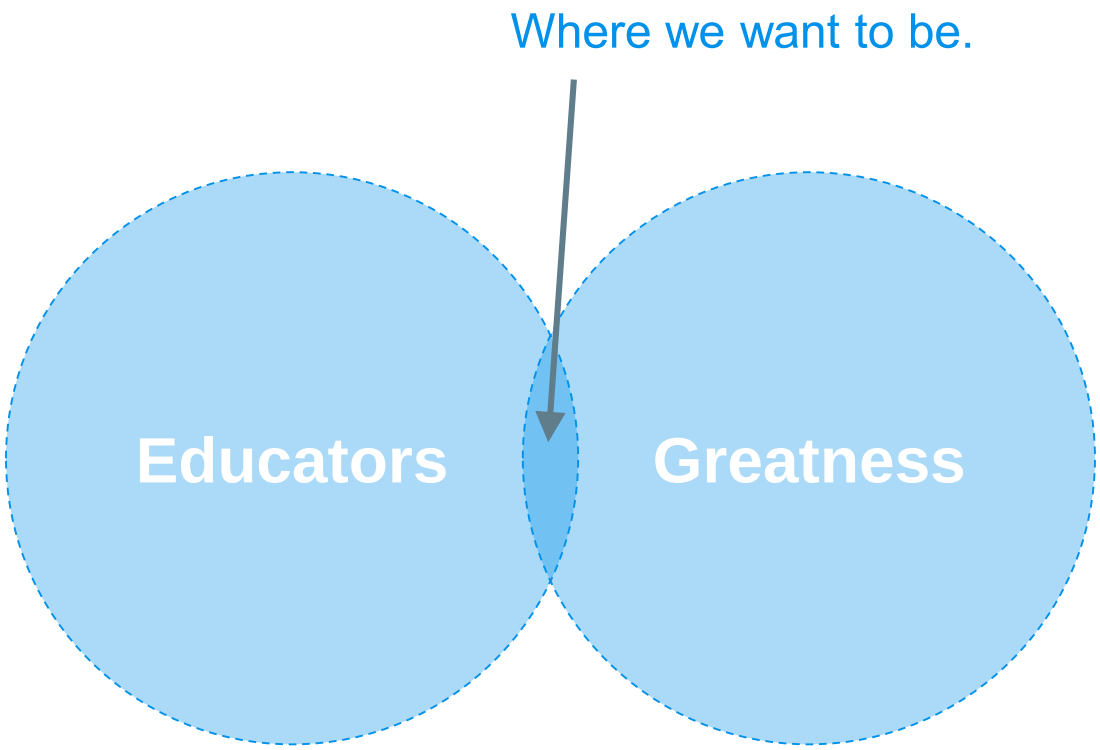

I am Ross Parker.

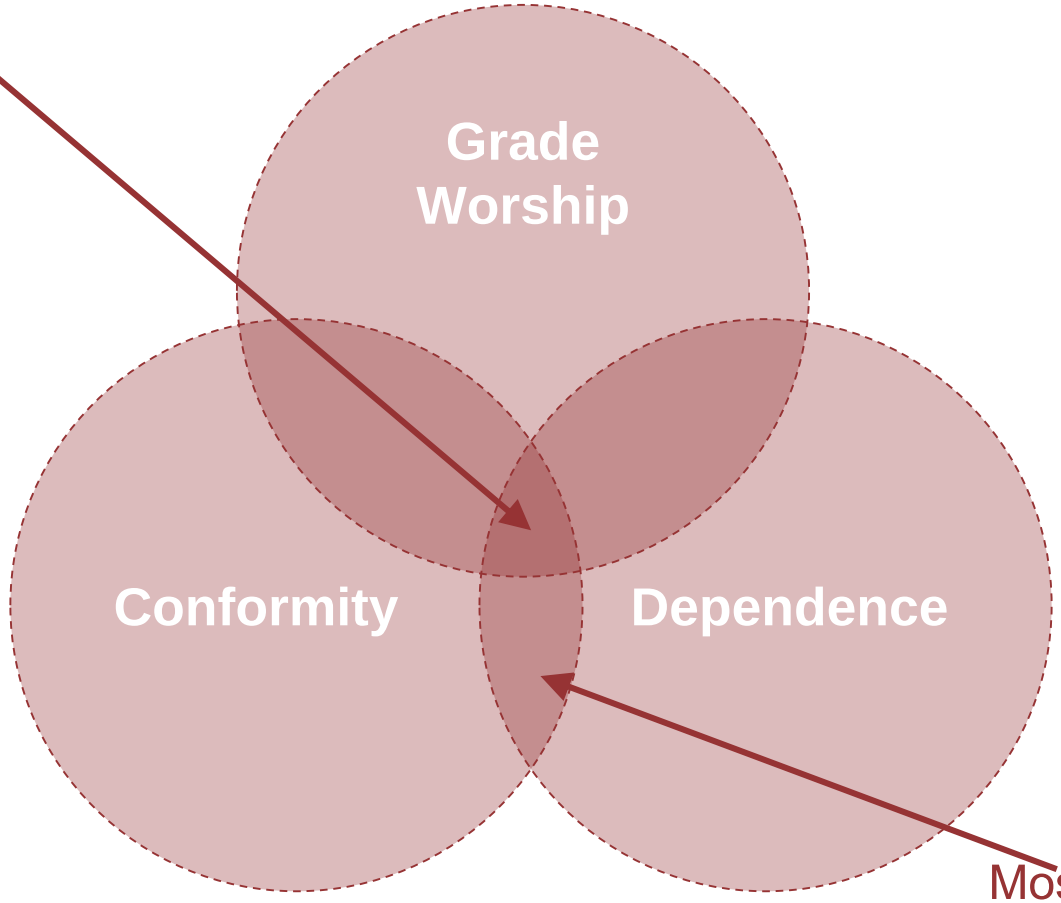

@rossdotparker

What ICHK Calls “Best Possible Teacher”

But our pedagogy…

Most PD sits here.

Example 1

Work with these people you don’t like.

Do this work you are not interested in.

Start and stop on cue.

Not motivated?

FAIL

Example 2

Be imaginative.

Be creative.

Your answer’s not in the rubric.

Example 3

I’m just going to talk for a few minutes.

30 minutes later, still talking.

Sit still, stop playing around!

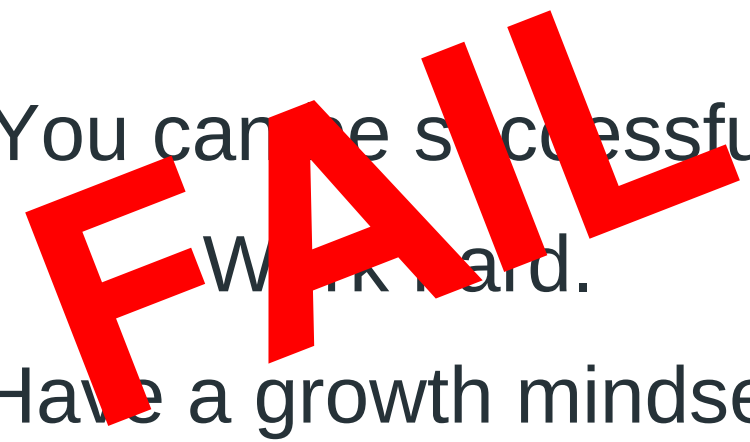

Example 4

You can be successful.

Work hard.

Have a growth mindset.

You are a level 2 out of 7 : (

The Result?

Boredom

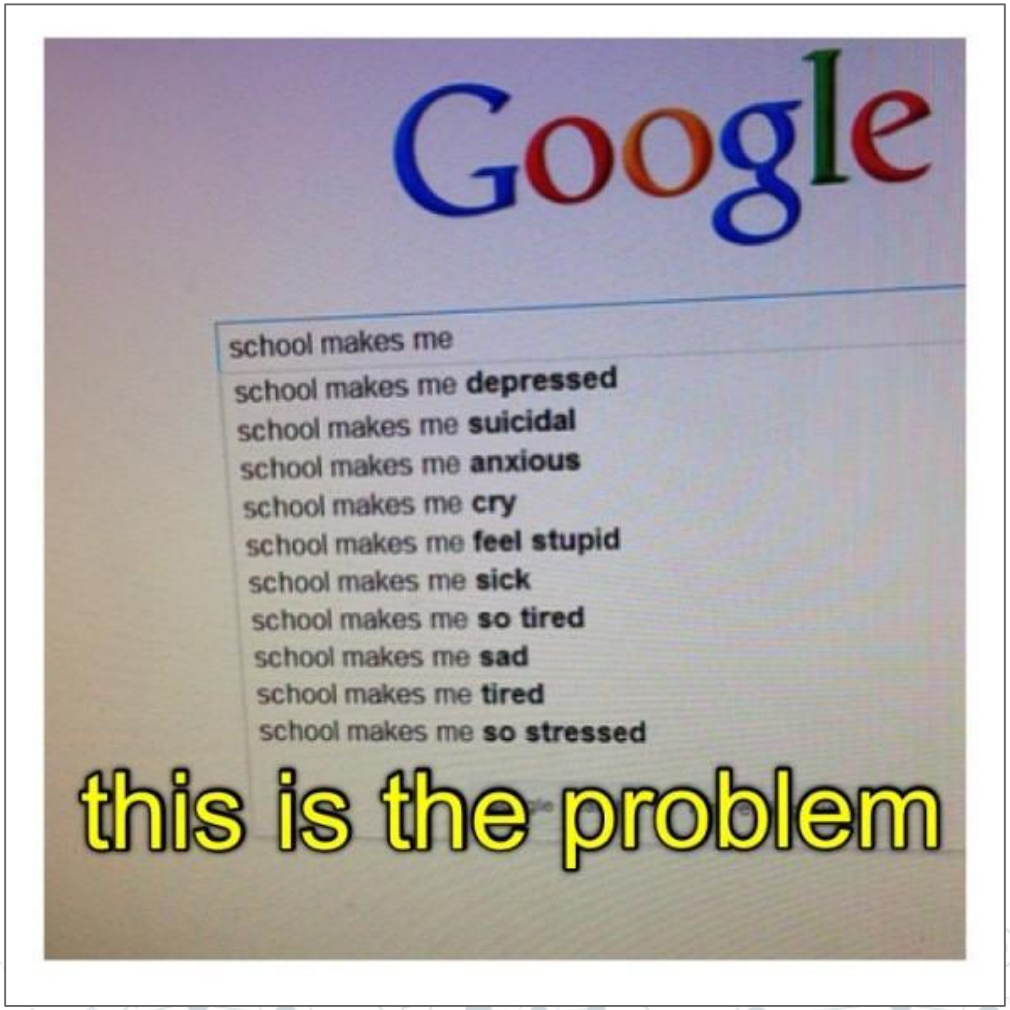

Apathy

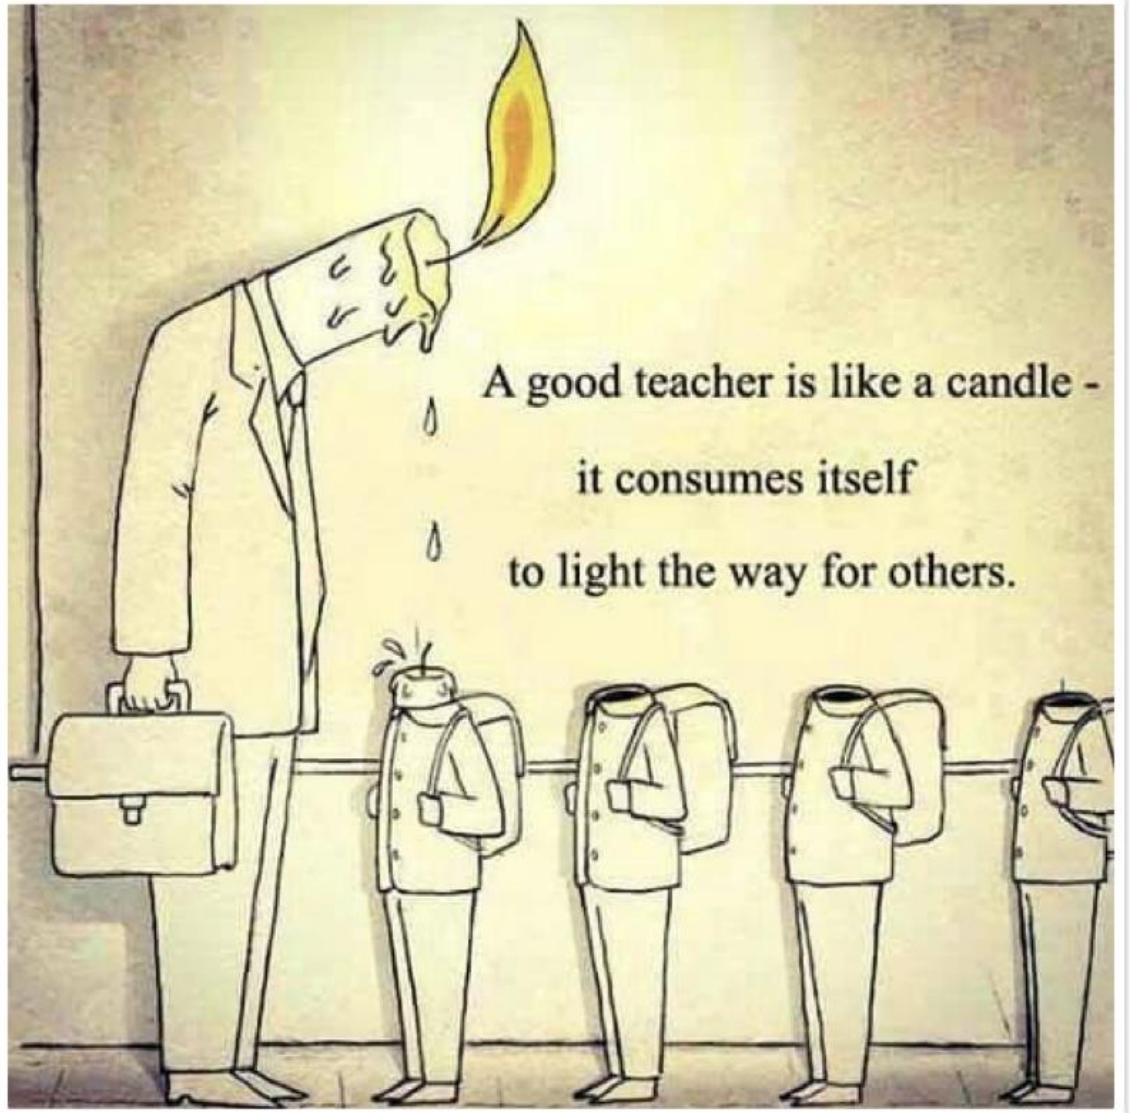

Disengagement

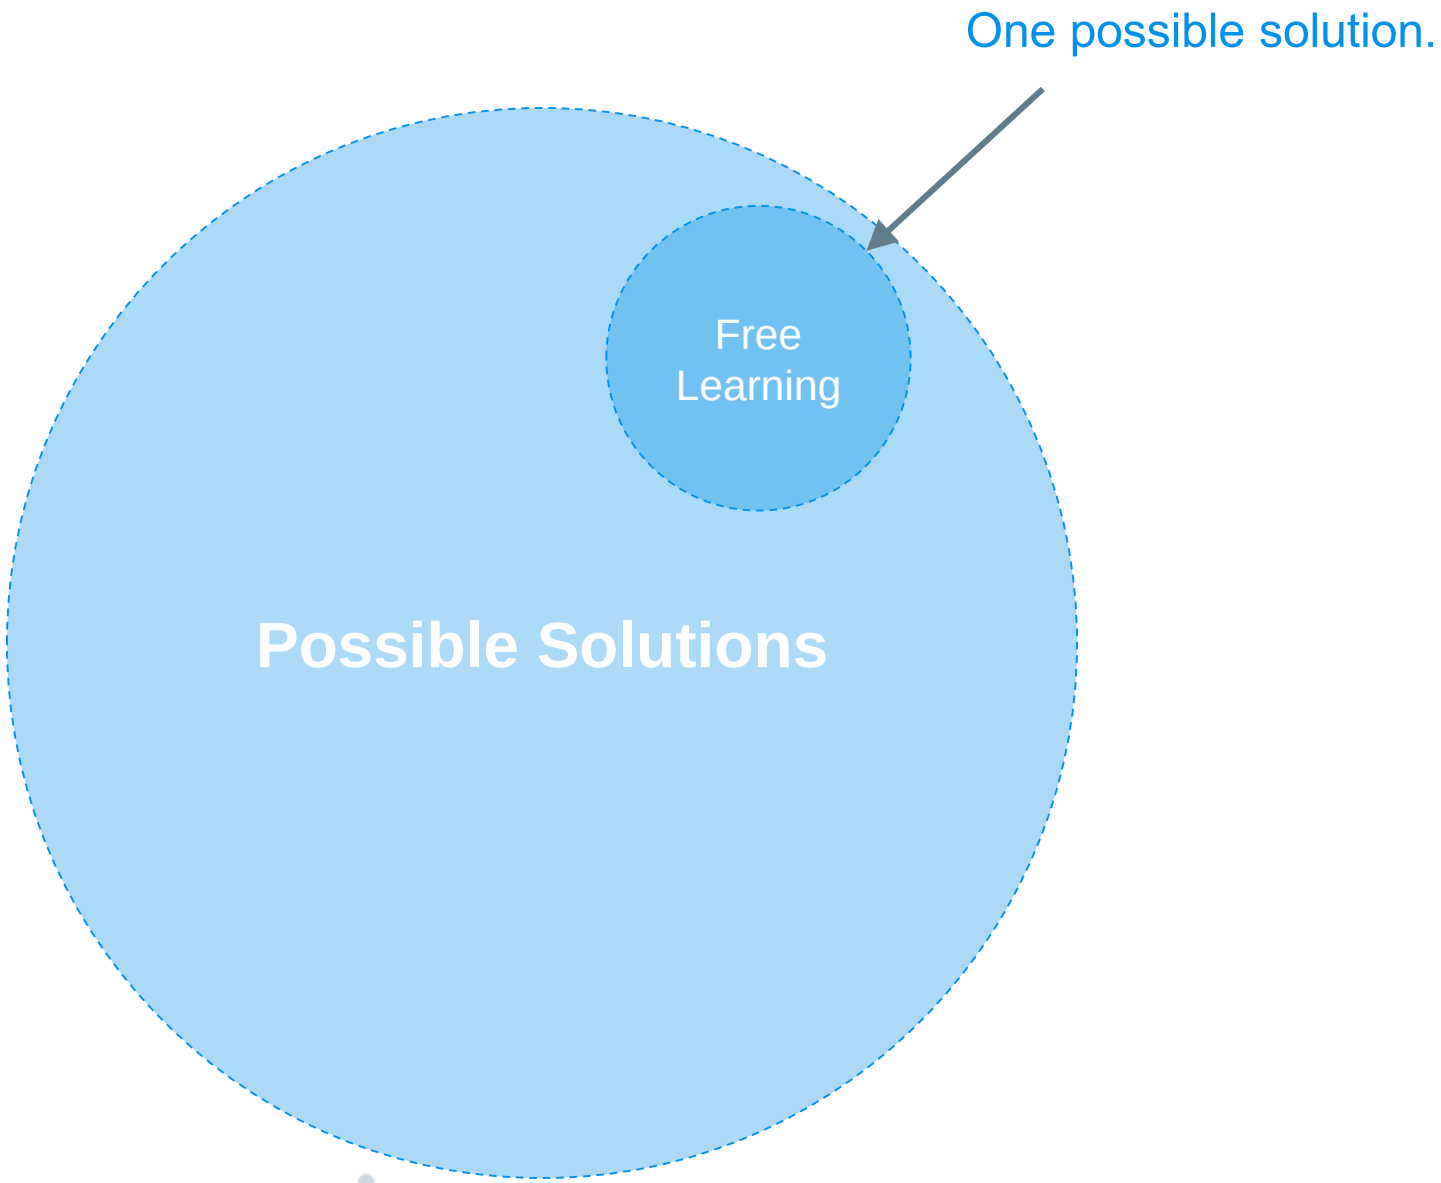

Teaching, Not Learning

Anxiety, Stress...Suicide?

Is This What We Want?

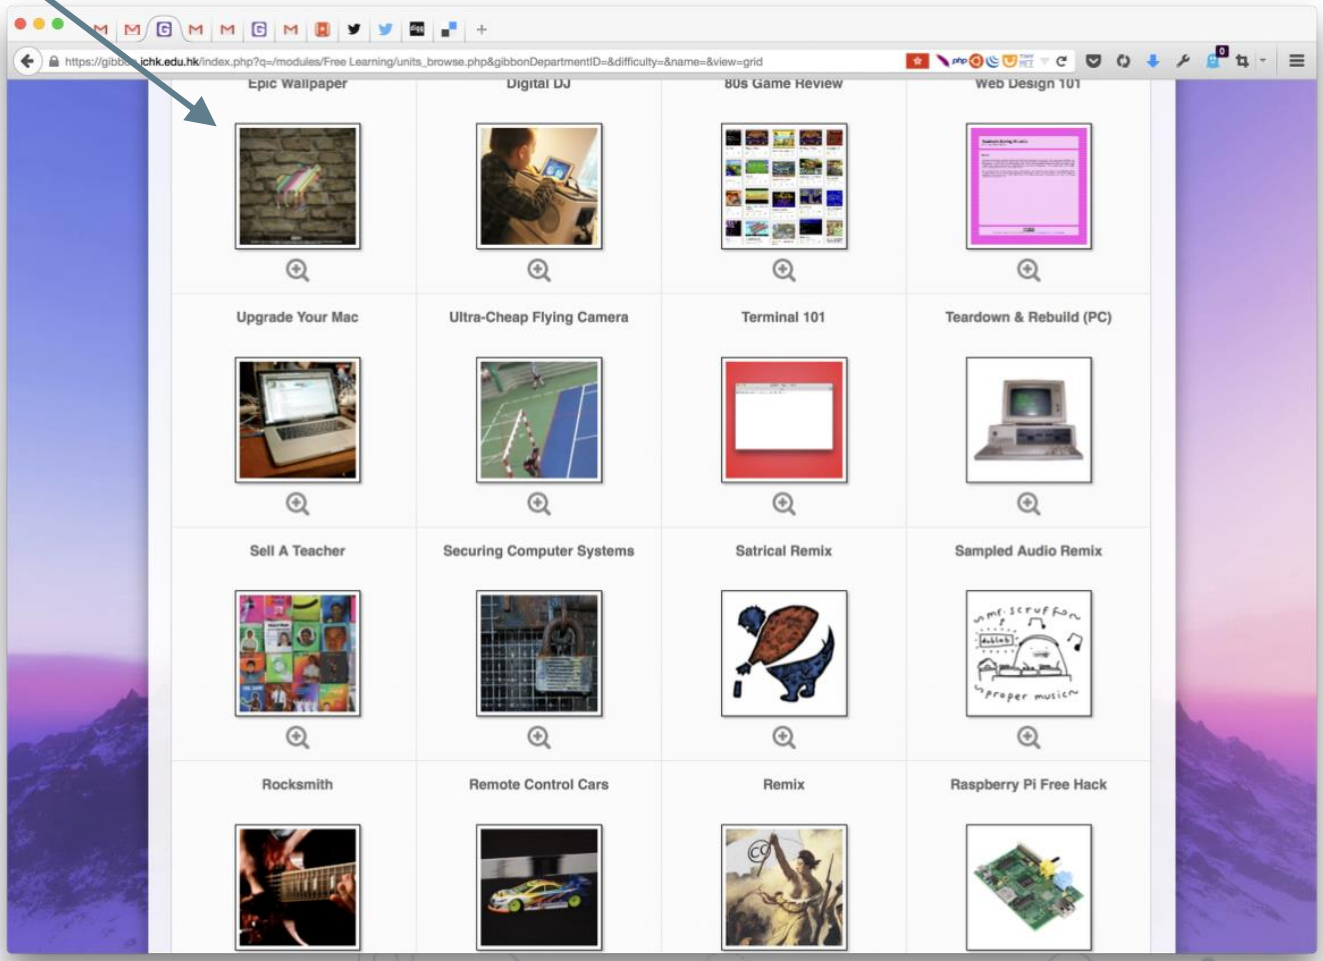

A good teacher is like a candle -
it consumes itself
to light the way for others.

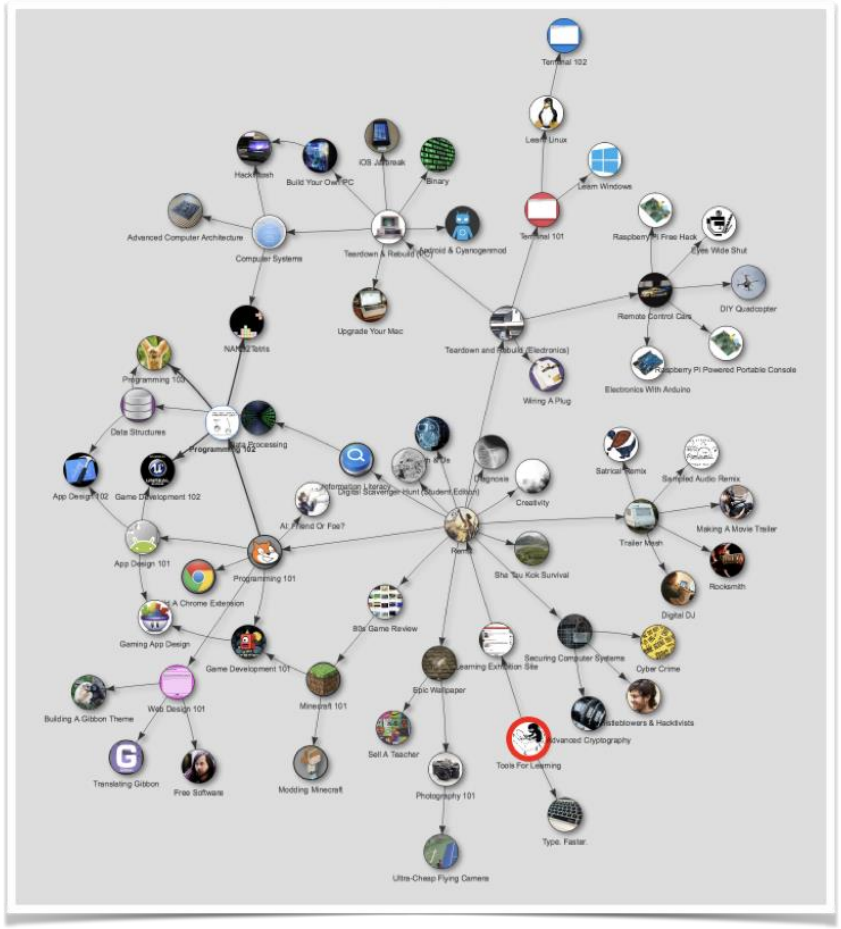

One possible solution.
