

How to make a Paper Bag Puppet:

What you need:

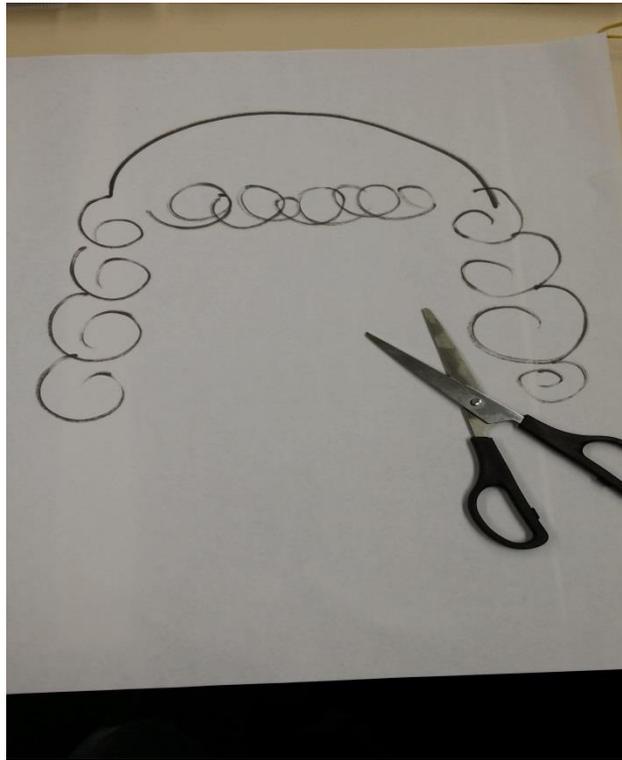

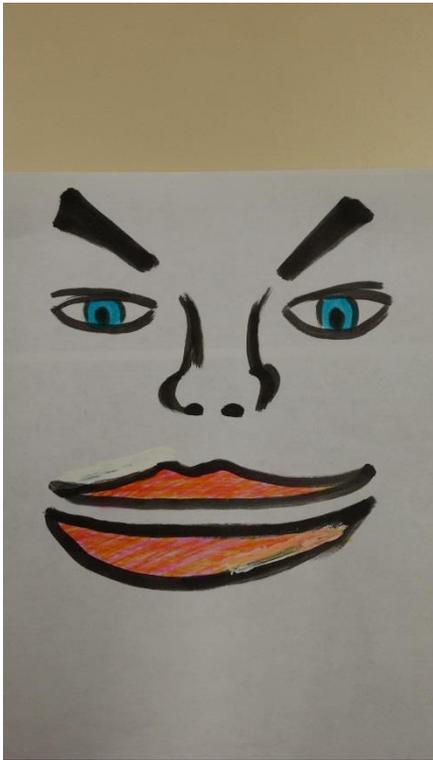

- A paper bag
- Paper
- Glue
- A scissor
- Markers

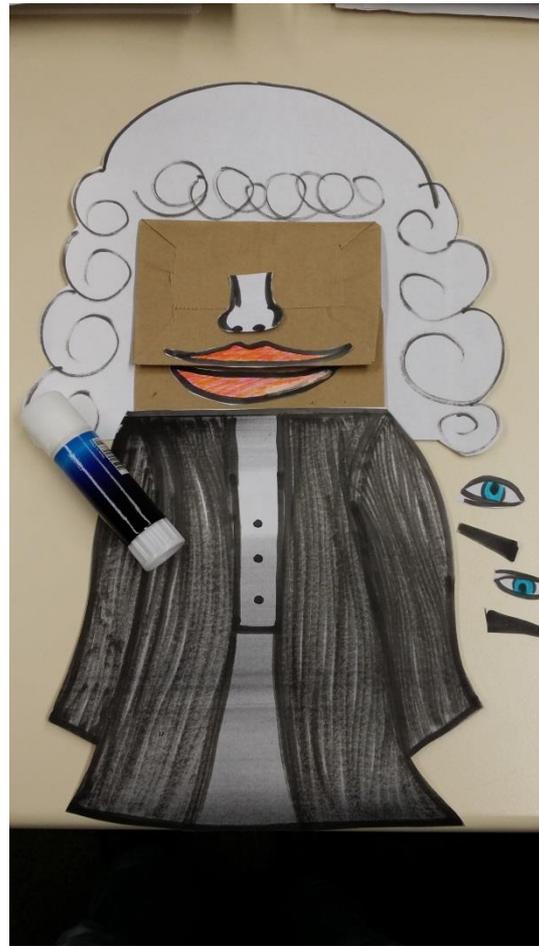

1. Take a paper bag and flip it onto the side with the flap.

2. On the paper, draw features (hair, eyes, ears, nose, mouth, tongue, clothing, accessories), then cut out.

3. Glue features onto the paper bag.

6. Your puppet is ready to be used.
Enjoy!
